LETTER OF APPRECIATION

NIEV RAJU SANGHVI is a bonafide student of this school during the academic year 2023-24 in Class 11. He is presently studying in class 12 in the academic year 2024-25 (Science Stream).

This is to place on record our deepest appreciation for his extraordinary contributions to the field of Computer Science. His dedication and commitment has culminated in the publication of more than 10 research papers, a remarkable feat that has brought international recognition to him and our esteemed institution.

Published in the prestigious International Journal of Engineering Research and Technology (IJERT), his research papers primarily focus on Artificial Intelligence, Machine Learning, and Data Science. These cutting-edge fields are not only complex, but are also pivotal to future technological advancements. His ability to address various global industrial problems with innovative solutions, particularly using Python-integrated methodologies, speaks volumes of his expertise and intellectual prowess.

He has made his Alma Mater proud by setting a benchmark and these are the hallmark of his learnings at The Bishop's School. Congratulations on his commendable achievements and we wish him continued success in his scholastic and professional pursuits.

Shayne McPherson
Principal
